

RETAILER TOURS & WORKSHOPS

From March 2019, the National Retail Association (NRA) are conducting over 100 tours of shopping centres and precincts throughout Victoria to assist retailers transitioning away from banned bags.

Rather than group workshops which many retailers don't have time to attend, the NRA tour each area, visiting as many retailers as possible in their stores. To request a specific visit during these tours, please contact the NRA at vicbagban@nra.net.au.

Please note: this schedule may be subject to change. Please check <https://vicbagban.com.au/workshops/> for the most current schedule.
